HOW TO INVEST IN A STRATEGY

To invest in a Strategy/PAMM, **you must have an Investment account**. If you don't have an Investment account, you can open one in the Traders Room Dashboard by requesting a new wallet.

 \triangle Each client can have only one Investment wallet denominated in one of these four base currencies: USD, EUR, GBP, BRL.

HOW TO INVEST IN A STRATEGY

2

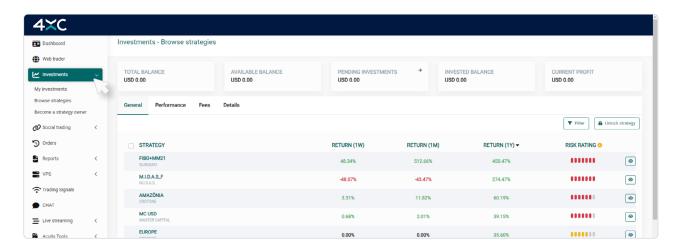

To start investing, you must deposit funds into your Investment wallet.

This can be done by opening the Traders Room Dashboard and selecting the "**Deposit**" button, or by clicking "**Move money**" to transfer funds from an existing trading account.

3

To select a new strategy, go to "Investments" and then select "Browse Strategies".

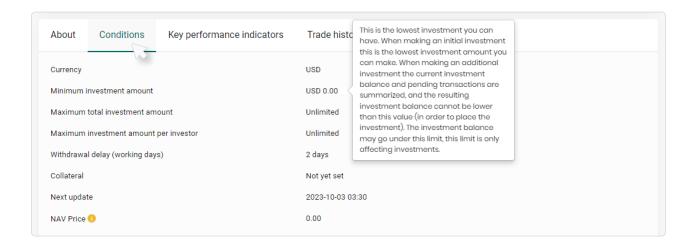

Here, you will find a variety of existing strategies. You can then **examine these strategies and compare them** to find one that meets your desired risk tolerance and potential returns.

4

When examining each strategy, make sure to navigate to "**Conditions**". Here, you'll find important information, such as the minimum investment amount, withdrawal times, and collateral requirements.

5

If you have found the desired Strategy/PAMM you want to invest in, press the "Invest" button in the upper-right corner of the Strategy provider's profile.

6

After clicking this button, you will then have to select the Amount you want to invest.

If you wish to, **you can also set a Stop Loss** to mitigate any potential losses.

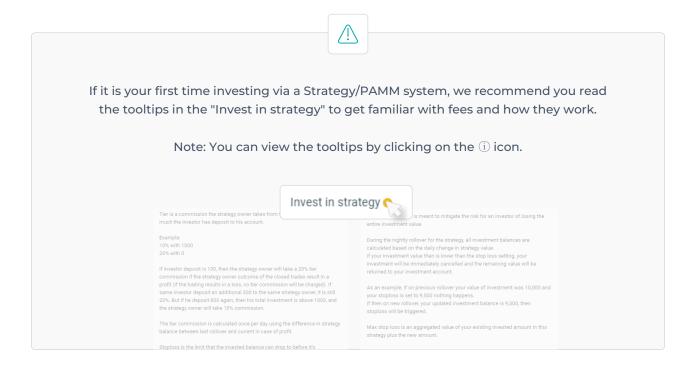

7

The next step is to carefully **read the Terms** and Conditions and sign them along with the Power of attorney agreements if you agree to the terms.

The final step is to press the "Invest" button, and then you're done! All you need to do after this is to monitor the trades and their performance.

Trading Forex/CFDs on margin carries a high level of risk and may not be suitable for all investors as you could sustain losses in excess of deposits. The products are intended for retail, professional and eligible counterparty clients. For clients who maintain account(s) with 4XC, retail clients could sustain a total loss of deposited funds but are not subject to subsequent payment obligations beyond the deposited funds and professional clients could sustain losses in excess of deposits.
