HOW TO BECOME A SIGNAL PROVIDER.

In this manual, we will guide you through the process of becoming a Signal provider on 4XC's social trading platform.

By becoming a Signal provider, you can share your own trading strategies and earn commission from subscribers who copy your trades.

We will show you how to create your own signal, set subscription fees, and configure copying parameters.

You will also find tips on how to optimise your signal's performance and attract more subscribers. Whether you're a seasoned trader or a beginner, becoming a Signal provider on 4XC's social trading platform is a great opportunity to share your knowledge and earn extra income.

You can become a trading Signal provider and receive an income from your subscribers.

Login to your **Trader's Dashboard**, then navigate to the left side menu, select the **Social Trading >>Create Signal**.

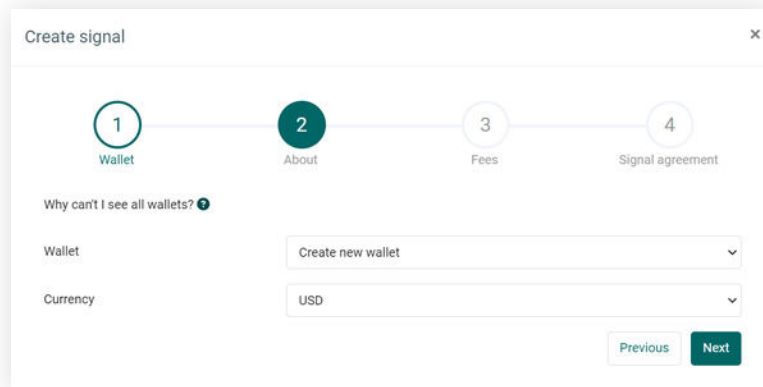

HOW TO BECOME A SIGNAL PROVIDER.

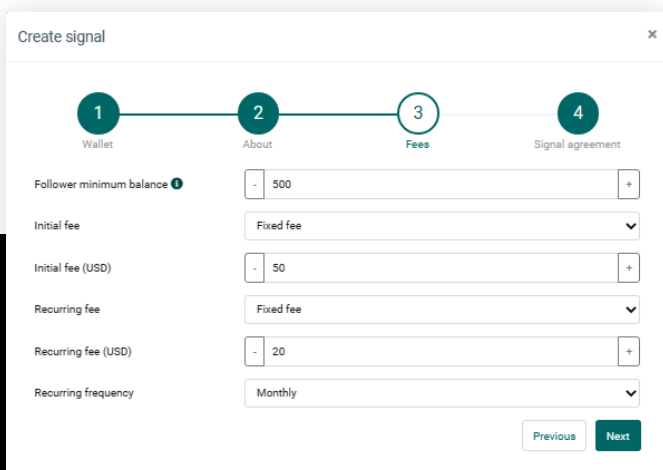

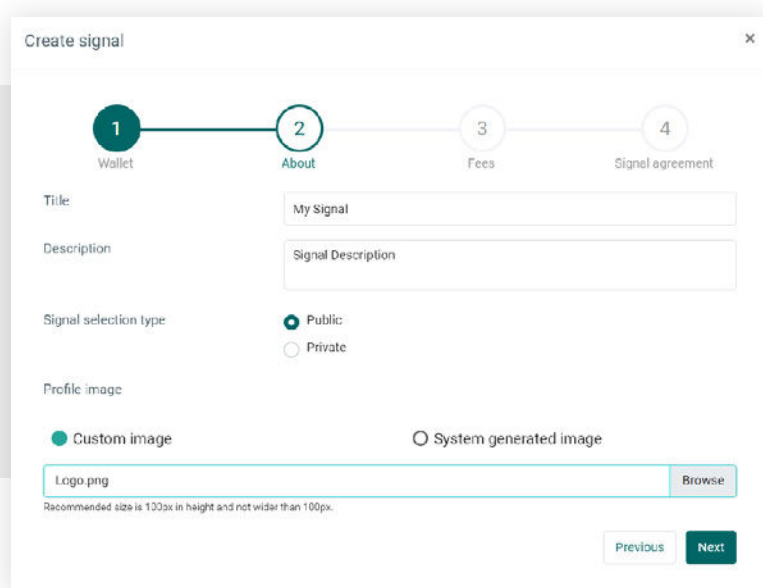

Follow these simple steps and become a Signal provider:

1. **Specify the account** which is going to be used as the trading Signal source or *create a new trading account.

* 4XC will contact you in case the clarification is required to set up your trading account.

2. **Create a custom name for your Signal**, add a brief description and upload the profile image. Choose the Signal access mode: public or private (accessible only with the access code).

3. **Specify the minimum balance** the follower needs to have available on the trading account to subscribe to your Signal and set the subscription fees.

- Initial fee is a fixed one-time fee that can be applied when a follower subscribes to the Signal.
- Recurring fee is a fixed amount that can be applied periodically (daily, weekly, monthly, quarterly or annually).
